Project "INNOSTARTUP"

Project number: NPAD-2014/10053, financed by the *Nordplus* Programme

The three partners- Tavastia Education Consortium (Finland), Šiauliai City Municipality Education Center (Lithuania) and Zemgale Region Human Resource and Competences Development Centre (Latvia) have been working on the implementation of the planned activities.

After meeting in Lithuania, Šiauliai Municipality Education Centre in September, 2014 when the partners defined the structure, aims, learning outcomes, contents of the course program, areas of responsibility in the development of the program and training material the partners have developed training material in English that has been revised by all partners and prepared for translation and localization for the needs in the respective countries.

The aim of the program is the development of entrepreneurship competence on innovative, creative thinking and it will focus on three main themes:

Theme 1: INNOVATION AND INNOVATIVE ENTERPRENEURSHIP

Theme 2: CREATIVITY IN THE PROCESS OF INNOVATION

Theme 3: CREATIVE THINKING METHODS

The project partners will meet in their second project meeting in August to discuss the pilot process of the program and the organization of the further support to the course participants.

April, 2015

Skaidrite Bukbarde,

Project coordinator
